

Time and Talent Survey

The time and talents of our members are vital to the life of our congregation! But each of us contributes the most if we volunteer in ministries which we enjoy and in which we are skilled. To facilitate understanding the talents of our members, please fill out the survey below – whether you are a newcomer or a long-time member of St. Paul. Check all areas of interest as follows:

Past – You have served in this ministry in the past here or at another church, but are no longer active in this activity

Present – You are currently involved in this ministry at St. Paul

Future – You are not currently involved in this ministry but might be interested in the future
